Hi Mr waldman.

Please check on this with the city attorney. The law explicitly requires you to make space available for record inspection.

If I don't hear from you by COB Wednesday 12/18 with a confirmation that you will make space available for inspection I will proceed under the assumption that you have explicitly denied me access.

Alternatively you can provide these emails in their native electronic format as the law requires

Thanks,

You are welcome to copy the contents of the thumb drive to your computer at no charge.

We will not make office space available for you to scan the boxes of documents. You will have to arrange transfer of the paper records.
